

Ethnicity and Ageing

Author/s: Rowland, D | **Year:** 1997 | **Publication type:** Book section | **Peer reviewed:** | **Topic area/s:** General CALD

Reference:

Key Words:

Research aim:

This book, first published in 1997, reflects the breadth of research into gerontology and analyses the major themes and issues in the area of ageing and social policy in both an Australian context and from an international comparative perspective. In the 1980's and 1990's, for the first time since white settlement, Australia has an aged population characterised by a significant degree of ethnic heterogeneity.
