

FECCA 2017 National Biennial Conference Announced

We are proud to announce the FECCA 2017 Biennial Conference – the preeminent forum to discuss and debate issues related to Australia’s multiculturalism – will be held in partnership with the Multicultural Council of the Northern Territory (MCNT), FECCA’s Northern Territory peak member.

FECCA Chairperson Joe Caputo said, “The FECCA Conference is an important national event that brings together the community sector to help shape future directions for Australia’s multiculturalism. It provides a platform that encourages inclusive dialogue on the challenges and opportunities that our ever changing cultural and linguistic landscape presents, as well as the far-reaching benefits of embracing diversity through agile policy and practice.”

MCNT President Kevin Kadirgamar said, “The MCNT is proud to host the 2017 national conference. The conference will coincide with the MCNT’s 40th anniversary, making it a significant milestone in our history. Darwin stands ready to host an insightful conference, exploring the role of multiculturalism in modern day Australia and the opportunities and challenges for the future.”

The Conference will be held in late 2017. We look forward to seeing you in Darwin!
