

Statement from FECCA on today's racist motion in the Australian Senate

The Federation of Ethnic Communities' Councils of Australia (FECCA) deplores and condemns the actions of all Senators who today voted to support a racist motion in the Australian Parliament.

This is a repudiation of decades of bipartisan support for a multicultural Australia.

FECCA calls on Prime Minister Scott Morrison to publicly condemn any member of his Government who supported the motion.

FECCA is the national peak body representing Australians from culturally and linguistically diverse (CALD) backgrounds. Our role is to advocate and promote issues on behalf of our constituency to government, business and the broader community.
