

A message from the Minister for Ageing, the Honourable Justine Elliot MP

Author/s: Elliot, Justine | **Year:** 2008 | **Publication type:** Opinion Piece | **Peer reviewed:** No | **Topic area/s:** Policy

Reference: Elliot, J. (2008) "A message from the Minister for Ageing, the Honourable Justine Elliot MP" Australian Mosaic Issue 20: 4-5

Key Words:

CALD, Australia, Policy, Services

Research aim:

Australians have the second longest life expectancy in the world. With an ageing population, this presents both opportunities and challenges for Australia, particularly in the areas of aged services provision and policy. This article outlines seven Government initiatives designed to ensure that elderly people from all cultural and financial backgrounds have equitable access to care and support services, with several providing assistance for carers of elderly people, and several making specific provision for culturally and linguistically diverse (CALD) communities.

Results/Conclusion:

Implications:

Cultural Group(s):
