

# Cultural planning tool: Planning for multicultural HACC services

**Author/s:** Brooke, L | **Year:** 1996 | **Publication type:** Report | **Peer reviewed:** | **Topic area/s:** Culturally Appropriate Care

**Reference:** Brooke, L. (1996). Cultural planning tool: Planning for multicultural HACC services. Melbourne, Action on Disability within Ethnic Communities for Department of Human Services.

**Key Words:**

HACC services, service provision, culturally appropriate care

**Research aim:**

This document provides information about the process of achieving culturally appropriate services for HACC service providers, as well as strategies and measurements for achieving this.

**Results/Conclusion:**

The Cultural Planning Tool is designed for use by HACC Service providers to assist in and evaluate the provision of culturally appropriate HACC services for people from culturally and linguistically diverse backgrounds.

**Implications:**

**Cultural Group(s):**

CALD

**Location of study:**

Victoria

**Age group:**

**Number included in study:**

N/A

**Type of participants:**

**Research approach:**

**Type of data:**

**Secondary data sources used:**

**Specific scales or analytical techniques used:**

**Implications/ Recommendations:**

**Notes:**

Not primary research. Document for service providers guidelines for providing culturally appropriate services.
