

# Culturally and Linguistically Diverse (CALD) Carer Framework: strategies to meet the needs of carers

**Author/s:** NSW Department of Health | **Year:** 2009 | **Publication type:** Report | **Peer reviewed:** | **Topic area/s:** Carers who are CALD

**Reference:**

**Key Words:**

CALD carers, strategic plan, support for CALD carers, CALD carer framework

**Research aim:**

The CALD Carer Framework identifies a whole range of strategies and evidence-based research to assist Government agencies to work towards the priority of identifying and supporting hidden carers.

**Results/Conclusion:**

Five priority action areas were identified: carers are recognised, respected and valued, hidden carers are identified and supported, services for carers and the people they care for are improved, carers are partners in care, carers are supported to combine caring and work.

**Implications:**

The CALD carers framework should be distributed to those stakeholders responsible for the implementation of the NSW Carers Action Plan, including AHS Carer Support Officer. This Guideline is a supplement to the NSW Carers Action Plan 2007-2012

**Cultural Group(s):**

CALD

**Location of study:**

New South Wales

**Age group:**

**Number included in study:**

N/A

**Type of participants:**

**Research approach:**

Mixed methods

**Type of data:**

**Secondary data sources used:**

**Specific scales or analytical techniques used:**

**Implications/ Recommendations:**

**Notes:**
