

# Ethnicity and the dementias

**Author/s:** Yeo, G Gallagher-Thompson, D | **Year:** 2006 | **Publication type:** Book | **Peer reviewed:** | **Topic area/s:** Dementia

**Reference:**

**Key Words:**

dementia, culturally appropriate assessment and care

**Research aim:**

Ethnicity and the Dementias offers invaluable background information on the topic of ethnic and racial issues in Alzheimer's disease and other dementias

**Results/Conclusion:**

the book features contributions from leading clinicians and researchers on the epidemiology of dementias by ethnic population, new information on the assessment of diverse populations, and updates and inclusions of new populations in the management of dementia and working with families.

**Implications:**

The book is ideal for practitioners, researchers, and policy makers in search of the most current ethnogeriatric findings.

**Cultural Group(s):**

**Location of study:**

United States

**Age group:**

**Number included in study:**

N/A

**Type of participants:**

**Research approach:**

**Type of data:**

**Secondary data sources used:**

**Specific scales or analytical techniques used:**

**Implications/ Recommendations:**
