

Introduction: Exploring the Relationships Among Aging, Ethnicity, and Family Dementia Caregiving

Author/s: Hinton, L. Fox, K. Levkoff, S. | **Year:** 1999 | **Publication type:** Journal article | **Peer reviewed:** | **Topic area/s:** Dementia, Carers of CALD Older People, Reserch Methodology

Reference: Hinton, L., K. Fox and S. Levkoff (1999) "Introduction: Exploring the Relationships Among Aging, Ethnicity, and Family Dementia Caregiving" Culture, Medicine & Psychiatry 23(4):403-413

Key Words:

Dementia, Caregivers, Older People, Caregiving

Research aim:

Introduces a set of papers featured in the December 1999 issue of "Culture, Medicine and Psychiatry," which analyzed narratives of caregivers of elders with dementia in Boston, Massachusetts.

Results/Conclusion:

Provides methods shared across the papers includinga multidimensional framework for ethnicity and directions for future research

Implications:

Cultural Group(s):

CALD

Location of study:

United States

Age group:

Not specific - carers

Number included in study:

N/A

Type of participants:

Research approach:

Type of data:

Literature review

Secondary data sources used:

Specific scales or analytical techniques used:

Implications/ Recommendations:

Notes:
