

# Non-English speaking older people denied care

**Author/s:** Australian Nursing Federation | **Year:** 2009 | **Publication type:** Opinion Piece | **Peer reviewed:** No | **Topic area/s:** Policy, General Care

**Reference:** Australian Nursing Federation (2009) "Non-English speaking older people denied care" Australian Nursing Journal 16(11) :12

**Key Words:**

CALD, Australia, Policy, Communication, Health Services

**Research aim:**

This article discusses research indicating that only a small number of residential aged care facilities provide services for older people who come from culturally and linguistically diverse backgrounds. The Australian Department of Health and Ageing, Aged Care and Community Care director of planning and programs Sarah Creane discussed the need to reallocate funding to provide adequate resources for these populations in comments presented.

**Results/Conclusion:**

**Implications:**

**Cultural Group(s):**

CALD

**Location of study:**

Australia

**Age group:**

**Number included in study:**

N/A

**Type of participants:**

**Research approach:**

**Type of data:**

**Secondary data sources used:**

**Specific scales or analytical techniques used:**

**Implications/ Recommendations:**

**Notes:**
