

People from Ethnic Backgrounds in Commonwealth Funded Residential Care – Victoria

Author/s: Australian Polish Community Services | **Year:** 2008 | **Publication type:** Report | **Peer reviewed:** | **Topic area/s:** Culturally Appropriate Care, Residential Care

Reference: Australian Polish Community Services (2008). People from Ethnic Backgrounds in Commonwealth Funded Residential Care - Victoria. Australian Polish Community Services.

Key Words:

culturally appropriate care, residential care, review of services

Research aim:

In response to reported incidents of poor care or insensitive treatment of ethnic client groups in residential aged care facilities funded by the Australian Government, the Australian-Polish community received a grant to document the experiences of ethnic elderly residents

Results/Conclusion:

A set of recommendations for CALD residents and representatives, the aged care standards and accreditation agency, the commonwealth government, ethnic support groups, elder rights advocacy and providers were put forward

Implications:

Cultural Group(s):

Location of study:

Victoria

Age group:

Number included in study:

N/A

Type of participants:

Research approach:

Mixed methods

Type of data:

Secondary data sources used:

Specific scales or analytical techniques used:

Implications/ Recommendations:
